Right to Writ — In Public Interest 2026

Contribution Policy Guidelines, including Cancellation Rules

Issued under Circular No. LFF/RTW/2026/01 · 30 September 2026

Application of these Guidelines

1. These Guidelines govern the registration contribution for *Right to Writ — In Public Interest 2026* (the “Competition”), organised by LexFinis Foundation, New Delhi (the “Foundation”). They apply to every person who registers for the Competition, whether individually or as a member of a team, and to every university, college or institution whose students participate.
2. These Guidelines are to be read with the Participant Handbook and Rules. Where a matter concerning the contribution is not covered here, the Handbook applies.

The registration contribution

3. The registration contribution is ₹2,200/- (Rupees Two Thousand Two Hundred only) per participant. It is a one-time contribution for the Competition. Where two participants take part as a team, each member registers and remits the contribution separately.
4. The contribution is remitted only through the participant dashboard at www.lexfinis.org, by UPI, using the QR code displayed there. The participant must enter the transaction reference ID and upload a screenshot of the remittance. The registration is complete only when the Foundation has verified the remittance and the status on the dashboard has been updated.

5. The Foundation does not accept the contribution in cash, and has not authorised any agent, coaching centre or other person to collect it on its behalf. A remittance made in any other manner is at the participant's own risk.

Nature and purpose of the contribution

6. LexFinis Foundation is a not-for-profit organisation, and the amount remitted at registration is a contribution. It is made towards the certification and the resource content provided by the Foundation to participants. This includes the training sessions by Advocates-on-Record, the templates, the annotated sample writ petition, the checklists and reading material, access to the drafting tools made available through the Foundation, the evaluation of submissions, and the Certificate of Participation carrying the authority of MEPSC, Government of India.
7. LexFinis Foundation is a not-for-profit legal finishing school registered with NITI Aayog (Darpan Registration No. DL/2026/0994787). No part of the registration contribution is applied to any commercial activity. The contribution is applied only towards the conduct of the Competition and the legal education it provides.

Contribution is non-refundable

8. The registration contribution, once remitted, is non-refundable. It will not be refunded in any circumstance, including where the participant:
 - (a) withdraws from the Competition at any stage;
 - (b) does not attend or complete a training session;
 - (c) does not submit, or submits after the deadline, the Representation or the Writ Petition;
 - (d) is not selected at any stage of the Competition;
 - (e) is disqualified or penalised under the Rules; or
 - (f) is found not to be eligible under the Rules after the contribution has been remitted.

9. The contribution is not transferable to another person, to another team, or to any future edition of the Competition.
10. Where an amount has been debited more than once for the same registration, or in excess of the contribution, because of a technical error, the excess amount is not a registration contribution. It will be returned to the source account after verification, on a written request made under paragraph 17.

Cancellation rules

11. **Cancellation by the participant.** A participant may withdraw from the Competition at any time by writing to contact@lexfinis.org, quoting their Participant Code. On withdrawal, the registration stands cancelled, access to the Competition on the dashboard and on Lejit.ai is closed, and no certificate is issued unless the participant had already completed Stage I. The contribution is not refunded.
12. **Withdrawal of one team member.** If one member of a team withdraws, the remaining member may continue with the entry individually, after informing the Foundation in writing. The withdrawing member's contribution is not refunded, and it cannot be transferred to a replacement member.
13. **Cancellation by the Foundation.** The Foundation may cancel a registration where the participant has given false or incomplete information at registration, is found ineligible, or is disqualified under the Rules. The contribution is not refunded in such a case.
14. **Rescheduling of the Competition.** If any stage of the Competition is postponed or rescheduled for reasons beyond the Foundation's control, every registration continues to be valid for the revised schedule, and the revised dates will be communicated on the dashboard and by e-mail. Rescheduling is not a ground for refund.
15. A registration cannot be cancelled merely because the participant's chosen issue, draft or submission is not selected, or because the participant

disagrees with a decision of the Panel.

Assistance in case of difficulty

16. The Foundation wishes no student to be held back by a difficulty in the registration process. A student who faces any difficulty concerning the contribution, the remittance or the verification of registration may write to the Foundation directly.
17. A university, college or institution may also write to the Foundation, through its Faculty Coordinator or otherwise, on behalf of its students. Every request should quote the Participant Code of the student concerned and, where relevant, the transaction reference ID, and should be accompanied by the screenshot of the remittance.
18. Where an amount has been debited but the dashboard does not reflect it, the participant should not remit the contribution again. They should write to the Foundation with the transaction details, and the matter will be verified and resolved.
19. Requests and queries may be addressed to:

LexFinis Foundation

General

20. The Foundation may amend these Guidelines. Any amendment will be published on the dashboard and communicated by e-mail, and will not affect a remittance already made.
21. The interpretation of these Guidelines by the Foundation is final. These Guidelines are subject to the jurisdiction of the courts at Delhi.

Chandani Kaur Uppal
